Students Feedback for the Academic year: 2019-20

Analysis of Feedback:

The importance of student feedback on course material is widely improving educational quality. College is assessing and analyzing students comments as a foundation for making improvement to the present system. The suitable ideas are given to the director for the execution based on the comments collected.

Major Remarks or Suggestions, Action taken and Impact:

Sr. No.	Major Remarks / Suggestions	Action Taken	Impact
1.	Application of experiential learning in the regular curriculum.	It is decided in the faculty meeting that experiential learning will be more focused in the teaching pedagogy.	Students got exposure to the real world situations.
2.	More value-added certification courses.	Director asked the faculty to increase the motivation for value added course and prepare a course word for it.	Other value added course helped then to increase their skills in different courses.
3.	More focus on practical approach of learning	Director asked the faculty members to impart more industry oriented knowledge.	It helped students to perform better in the interviews.

Sr. No.	Major Remarks / Suggestions	Action Taken	Impact
1.	Requirement raised for more faculty - parent interaction	Director called a faculty meeting and asked for conducting parent meeting more frequently.	Parents are feeling more engagement with the college and students also got more motivated.
2.	More student grooming activities should be conducted.	Extra STC sessions were planned in that area, like - personality grooming and spoken English etc.	Students performance enhanced in presentations and interviews.
