Report on Days' Celebration

Students of Swayam Siddhi College of Management and Research celebrated the Bollywood Theme on 22nd of December 2022. All students participated with great enthusiasm. They enjoyed a lot.

They also celebrated Traditional Day to promote “Unity in diversity “which is based on the concept where the individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole. Apart from this the students were walked on ramp with great attitude.

Traditional Day was held on the 23rd of December 2022 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice.

In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India.

Report on Days' Celebration

Students of Swayam Siddhi College of Management and Research celebrated the Black/Denim Day on 27th of December 2021. All students participated with great enthusiasm. They enjoyed a lot.

They also celebrated Traditional Day to promote "Unity in diversity" which is based on the concept where the individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole.

Traditional Day was held on the 28th of December 2021 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice.

In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India.
